

Experience It!

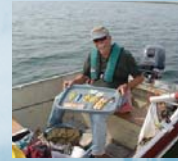

“It was a thrill to tie flies for pike and then come up there and catch fish after fish on my flies. I will never forget that and hope to repeat it next year.”

- Edward J. Keuer, MD – Colorado

“As promised I’m sending a copy of Reid’s 46” long 35lb Pike that he caught on Canada Day. He couldn’t lift the fish, which is why I’m holding it in the picture. Thanks for another great trip. We hope to see you again next year.”

- Ian Seal – Alberta

“Well, Gaylen and I just completed our 21st consecutive trip (started in 1985 with your dad at Andrew Lake). Lot’s has happened since then but the “annual Canadian fishing trip” has become the mainstay trip in our hectic lives – lot’s of good memories! Very few places in the world one can go to enjoy the peace and solitude anymore!”

“I know I told you at the end that it was one of the best vacations I’ve ever had. But after returning home I realize that all fishing vacations and trips that I’ve ever done in my life, that this was definitely the best. I will be returning sometime in the future and will recommend you to anyone I know is interested in this sort of trip.”

- Paul Schram – Alberta

“I still recall with a smile the 18 pound bruiser that smashed my Jitterbug as it popped along the surface of northern Alberta’s Andrew Lake just after ice out one June.”

- Ken Bailey – Outdoor Canada Magazine

“Thanks to the remoteness of many fly-in lakes, the odds of catching a trophy laker like this are excellent.”

“At nearly four feet she was the biggest pike I’d ever caught. This however, was not the end of the story, just the beginning. Over the course of a week we returned half a dozen more times to this location and another that was almost identical on the west shore of the lake and caught and released in excess of fifty 40-inch-plus northerns.”
